Total Stranger

Gino Vannelli

Is anybody out there?
There's no knock on my door
No one comes anymore
To this islandTrapped on memory lane
Caught in yesturdays rain
In the silenceI have looked in your eye
Calling your name outloud
But you look right through me
Like a ghost in a crowdJust like a total stranger
Behind those walls of stone
I've been a missing person
Location unknownLiving like a total stranger
A nowhere man
You see I couldn't get a listed number
Living in a now man's landWell did you take me for dead
Did you know I still bled
With desireHey I'm talking to you
But the words don't come through
On this wireI'm a voice in the dark
Crying out to the ghost
So I reach out my hand
Like a man overboardJust like a total stranger
Behind those walls of stone
I've been a missing person
Location unknown
Living like a total stranger
A nowhere man
You see I couldn't get a listed number
Living in a no man's landI'm a voice in the dark
Crying out to the ghost
So I reach out my hand
Like a man overboardJust like a total stranger
Behind those walls of stone
I've been a missing person
Location unknownLiving like a total stranger
Does anybody understand
You see I couldn't get a listed number
Living in a no man's landIs anybody out there?
Is anybody out there?

Is anybody out there?
