

Total Stranger

Gino Vannelli

Is anybody out there?
There's no knock on my door
No one comes anymore
To this island Trapped on memory lane
Caught in yesturdays rain
In the silence I have looked in your eye
Calling your name out loud
But you look right through me
Like a ghost in a crowd Just like a total stranger
Behind those walls of stone
I've been a missing person
Location unknown Living like a total stranger
A nowhere man
You see I couldn't get a listed number
Living in a now man's land Well did you take me for dead
Did you know I still bled
With desire Hey I'm talking to you
But the words don't come through
On this wire I'm a voice in the dark
Crying out to the ghost
So I reach out my hand
Like a man overboard Just like a total stranger
Behind those walls of stone
I've been a missing person
Location unknown
Living like a total stranger
A nowhere man
You see I couldn't get a listed number
Living in a no man's land I'm a voice in the dark
Crying out to the ghost
So I reach out my hand
Like a man overboard Just like a total stranger
Behind those walls of stone
I've been a missing person
Location unknown Living like a total stranger
Does anybody understand
You see I couldn't get a listed number
Living in a no man's land Is anybody out there?
Is anybody out there?

Is anybody out there?
