Ten Years

Rev Theory

Ten years from now when I turn around
Will I be satisfied when I look back on life?
Don't tell me it's too late
Don't tell me that I threw it all away
Don't tell me that I did this all in vainI have my reasons
Why I walk this lonely road
If I never return was it worth the life
Sacrifice, ten years from nowWhen she looks at me
(She sees right through me now)
All the emptiness in her eyes
So damn hard to speak
(Can't say a word out loud)There's no words to make this right
She tells me that I'm lost
I know that she will never understand
I know that I will do it all againI have my reasons
Why I walk this lonely road
If I never return, was it worth the life
Sacrifice, ten years from now, years from nowI have my reasons
Why I walk this lonely road
If I never return, was it worth the life
Sacrifice, ten years from nowI have my reasons
Why I walk this lonely road
If I never return, was it worth the life
Sacrifice, ten years from nowI have my reasons
Why I walk this lonely road
If I never return, was it worth the life
Sacrifice, ten years from now
