

Real Love

Adam Sandler

All my little plans and schemes
Lost like some forgotten dream
Seems that all I really was doing
Was waitin' for you Just like little girls and boys
Playing with their little toys
Seems like all I really was doing
Was waitin' for you Don't need to be alone
No need to be alone
It's real love, it's real
Yes, it's real love, it's real I don't expect for you to understand
The kingdom of heaven is in your hands
I don't expect for you to wake up from your dream
Too late for crying now it seems From this moment on I know
Exactly where my life will go
Seems that all I really was doing
Was waitin' for love Don't need to be afraid
No need to be afraid
It's real love, it's real
Yes, it's real love, it's real Thought I'd been in love before
But in my heart I wanted more
Seems like all I really was doing
Was waitin' for love Don't need to be alone
No need to be alone
It's real love, it's real
It's real love, it's real It's real love, it's real
It's real love, it's real
It's real love, it's real It's real love, it's real love
It's real love, it's real love
It's real
