Lucille

Jerry Lee Lewis

Ah Lucille
Baby do your sister's will
Ah Lucille
Baby do your sister's will
Well you went up and married
But I love you stillAh Lucille
Baby satisfy my soul
Ah Lucille
Baby satisfy my soul
Well you know I love baby
I'll never let you goBabe I woke up this morning
Lucille was not inside
I asked her friends about her
But all their lips were tightLucille
Please come back where you belong
Well I'm talking to you baby
I'll never put you on
Ah! Wha'!
