

# Lucille

**Jerry Lee Lewis**

Ah Lucille  
Baby do your sister's will  
Ah Lucille  
Baby do your sister's will  
Well you went up and married  
But I love you stillAh Lucille  
Baby satisfy my soul  
Ah Lucille  
Baby satisfy my soul  
Well you know I love baby  
I'll never let you goBabe I woke up this morning  
Lucille was not inside  
I asked her friends about her  
But all their lips were tightLucille  
Please come back where you belong  
Well I'm talking to you baby  
I'll never put you on  
Ah! Wha'!
