

White Daisy

Orange Grove

i just gotta tell you girl how much you mean to me
i know other guys have said it to you previously
but ooh girl ooh girl what youâ€™re doin ta meâ€™
ooh girl ooh girl it all feels new ta me
â€™i just wanna treat you right i just wanna beep you right
â€™i wanna tell all my friends youâ€™re mine and the feelingâ€™s fine
we can take our timeâ€™
just be true ta me, and iâ€™ll buy shoes for youâ€™
ooh girl ooh girl youâ€™re too beautiful

just want to take you with me
â€™there you aint been alreadyâ€™
white daisies on your bellyâ€™
your sweet aroma
â€™just want to take you with me
â€™there you aint been already
this bee wants on your belly
donâ€™t you know nowâ€™

i know plenty other guys have bought you rosesâ€™
but i donâ€™t know how many of em ever noticedâ€™
you girl you girl youâ€™ve been made for meâ€™
ooh girl ooh girl iâ€™ve waited patientlyâ€™
and i donâ€™t wanna fantasize i just wanna bite your thighsâ€™
weâ€™ll keep it steady so we donâ€™t capsize weâ€™ll grow old and wise
â€™weâ€™ll buy family sizeâ€™
girl itâ€™s plain ta see, itâ€™s where i aim ta be
â€™ooh girl ooh girl just donâ€™t be playin with me

just want to take you with me
â€™there you aint been alreadyâ€™
white daisies on your bellyâ€™
your sweet aroma
â€™just want to take you with me
â€™there you aint been already
this bee wants on your belly
donâ€™t you know nowâ€™

someday soon babyâ€™
whenever you ready
