Chicago

Big D And The Kids Table

Not afraid to tell it like it is
Not afraid to be the badass in this
I know that things are getting better{PRECHORUS}
Wanting again
Calling out again
And were just as good as them
I know
And were just as good as them
If not betterIf there are three steps to awareness
Then they havent found one yet
The outline of their lives have lost its sharpness{PRECHORUS}{CHORUS}
And now I know what they meant
When they always said "were not noticed but we have so much more to give" {twice}I heard I could not stop it
I heard I could not change it
I heard I could not help it
But I keep on tryingWho ever said "we'd be last" {Twice}
Cause I dont think so{CHORUS}___REPEAT=3
