# No Show

## Toro y Moi

Been a while since I've been home
It took a second 'cause my baby don't know I
Been so hesitant, I'm such a no show, why?
My baby got fed up with my ego, oh
Oh, oh, oh
Wasn't even thinkin' we were goin' worldwide
Figured it was better than the southern lifeWhat if I ask you why?
If you can realize?
You say, "I never fight"
Why do you want me to?
But you went and did it wrong anyway
I haven't seen your face in a while
I know you didn't wanna have me around, yeah
But why you gotta take so long?Headed back to the Bay
People say it's crazy now
Honestly it feels the same
I need to touch the ground
I need to hit the town
No need to plan it right when we get down
It's been a while since I've been home
It took a second 'cause my baby don't know I
Been so hesitant, I'm such a no show, why?
My baby got fed up with my ego, oh
Oh, oh, oh
Wasn't even wishin' to be known worldwide
Figured it was better than the southern life
