

# Let Me Take You Home Tonight (Delp)

## Boston

Now I'm not like this, I'm really kind of shy  
But I get this feeling whenever you walk by  
I don't want to down you, I want to make you high  
If you you could see your way to me, come on and let me try  
Let me take you home tonight  
Mamma now it's alright  
Let me take you home tonight  
I'll show you sweet delight  
You must understand this, I've watched you for so long  
That I feel I've known you, I know it can't be wrong  
If we just get together, I want to make you see  
I'm dreaming of your sweet love tonight, so mamma let it be  
Let me take you home tonight  
Mamma now it's alright  
Let me take you home tonight  
I'll show you sweet delight  
I don't want to make excuses, I don't want to lie  
I just got to get loose  
With you tonight  
Let me take you home tonight  
Mamma now it's alright  
Let me take you home tonight  
I'll show you sweet delight  
I don't want to make excuses, I don't want to lie  
I just got to get loose  
With you tonight  
I don't want to down you, I want to make you high  
And I get this feeling whenever you walk by  
If we just get together, I want to make you see  
I'm dreamin' of your sweet love tonight, so mamma let it be  
Let me take you home tonight  
Mamma now it's alright  
Let me take you home tonight  
I'll show you sweet delight  
I want to show you sweet delight, show ya sweet delight  
Pretty mamma want to show ya sweet delight  
Let me take you home tonight  
You know I want to take you home  
Let me take you home tonight  
I don't want to be alone  
Let me take you home tonight  
Let me take you home tonight  
Let me take you home tonight  
I don't want take you home  
Let me take you home tonight  
Let me take you home tonight  
Let me take you home tonight  
Let me take you home tonight

Let me take you home tonight
