

# Pieces Mended

## The Used

Being faced with what I'm faced with I feel  
like i can't rock  
like a rock hit my heart  
Started to chain the day  
and exploded into piecesMarry me  
stay the same  
lie to me and try to say you never will(x2)I've got a feeling in my gut now fills me  
with so much hope  
said fuck it I'm fine  
dine and dashed  
the pianist peddled into morning
