Lost In Love

Air Supply

I realized the best part of love is the thinnest slice

And it don't count for much

But I'm not letting go

I believe there's still much to believe inSo lift your eyes if you feel you can

Reach for a star and I'll show you a plan

I figured it out

What I needed was someone to show meYou know you can't fool me

I've been loving you too long

It started so easy

You want to carry onLost in love and I don't know much

Was I thinking aloud and fell out of touch?

But I'm back on my feet

And eager to be what you wantedSo lift your eyes if you feel you can

Reach for a star and I'll show you a plan

I figured it out

What I needed was someone to show meYou know you can't fool me

I've been loving you too long

It started so easy

You want to carry onLost in love and I don't know much

Was I thinking aloud and fell out of touch?

But I'm back on my feet

And eager to be what you wanted You know you can't fool me

I've been loving you too long

It started so easy

You want to carry onLost in love and I don't know much

Was I thinking aloud and fell out of touch?

But I'm back on my feet

Eager to be what you wantedNow I'm lost, lost in love, lost in love, lost in love. Now I'm lost, I'm lost in love, lost in love, lost in love, lost in love, lost in love.

Lost in love, lost in love, lost in love
