Mesmerized by Fire

Enforcer

Pounding on through the night
The gates of hell soon reveals
You can't escape your fate is sealed
Sadistic powers for realViolent your death unfolds
Close to touch the jaws
Living on evil
Death has you in it's clawsBurning alive, pray for death to take your hand
Hear yourself crying out to blackened skiesBehold-You will die-Tonight
Mesmerized by fire
Your death-Unfolds-Tonight
Mesmerized by fire
Frozen with fear with burning mind
Your time is running out
A look into eager eyes
Reveals the devil's wrathFeeling the flames licking your cheeks
Fulfilling the dark evil spell
Choking on the burning air
Sets you off through the casts of hellBurning alive, pray for death to take your hand
Hear yourself crying out to blackened skiesBehold-You will die-Tonight
Mesmerized by fire
Your death-Unfolds-Tonight
Mesmerized by firePagan sacrifice, fumes of burning flesh will rise
No one to help you, not to save you
Death has taken you!
Set the devil's sign in flames, and raise it to the sky
Death by fire
You are burning
You are burning in hellSOLO
