Heaven Denied

Labyrinth

Over the starlights
There's a world nobody's seen before
... There's my world ...
I still rememberWhen they banished me for my sin
... and you with me ..."Remember my words - I said - One day I'll come back"I'm turning back to the Heaven denied
Once i had gone, today I'll turn to light (am I dreaming?)[SOLO: TH-RSEN]Feelings of peace
fighting with this Harred in my heart
... I need more time ...
Stay close to me
Close your eyes and use your heart to see
... Pure as steel ...And flying with me you will see
that Heaven I lost for youI'm turning back to the Heaven denied
Once I had gone, today I'll turn to light[SOLO: TH-RSEN/RAIN/TH-RSEN]I'm turning back to the Heaven denied
Once i had gone, today I'll turn to lightDayafterdayafterdayafterday ...[Magnani C., Cantarelli F., Rubulotta F.]
