

# The Louvre

## Dawn Richard

[Verse 1]

I stare at you like you're a work of art  
You should be on a wall instead of hanging in my heart  
But I'm too greedy to share your wonderful parts  
So, I'll frame you with me in hope that's enough[Chorus 1]  
Ooh, you're a work of art  
Ooh, you're a work of art  
Ooh, you're a work of art  
Ooh, you're a work of art[Verse 2]  
You belong sitting in the Louvre  
Next to Achilles and Mona Lisa too  
But I'm too greedy to let others celebrate you  
So, I'll curate you just for me and hope that's not rude[Chorus 2]  
Ooh, you're a work of art  
Ooh, you're a work of art  
Ooh, you're a work of art, baby  
Ooh, you're a work of art
