Isn't Life Strange?

The Clientele

Isn't life strange? We walk in the dark
Sarah and Julie hook up in the park
Jessica cries, she's got nothing to add
I sit beside her, but nobody's there

Spin me 'round
I'm fallin'
Spin me 'round
I'm fallin'

Isn't life strange?
You end up alone
I call my folks
But there's nobody home

Spin me 'round
I'm fallin'
Spin me 'round
I'm fallin'
