

These Are the Special Times

CÃ©line Dion

In these moments, moments of our lives

 All the world is ours

 And this world is so right

You and I sharing this time together

 Sharing the same dream

As the time goes by we will find

These are the special times

 Times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

 These are the sweetest times

 These times together

And through it all, one thing will always be true

The special times are the times I share with you

With each moment, moment passing by

We'll make memories that will last all our lives

 As you and I travel through time together

 Living this sweet dream

 And every day we can say

These are the special times

 Times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

 These are the sweetest times

 These times together

And through it all, one thing will always be true

The special times are the times I share with you

These tender moments

 When heaven is so close

These are the moments that I know

These are the special times

 Times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

 These are the sweetest times

These times together
And through it all, one thing will always be true
The special times are the times I share
Are the times we share, are the times I share... with you
Special times I share with you
