

Another Life

Lower

Now it's time for change
Time to reshape your face
Stake on something new
Cut where you have to Strive
for another life
Open your arms
Invite it inside
I'll show you what it takes
to stay
balanced You couldn't make it on your own
Without help,
you're nothing
I could act as your better half
Speak
when you're speechless
Make you
Strive
for another life
Open your arms
Invite it inside
I'll take you by the hand
Make you understand what you're about to engage in: You'll have to grow thick skin
And leave your caution
behind
Life can seem rather bestial
For a cultured man
like you
like you
like you...
Forced to relieve the torture
Of? outrage
Ingrained into your nature
A cursed trait
Strive for another life
Open your arms
Invite it inside
I'll show you what it takes
to stay
balanced
