

# Baby Can Dance

## Tin Machine

I'm rolling out of the ferris wheel  
No one looks and no one feels  
But the baby can the baby canThe way it feels just feeling you  
Holding out and falling out  
But the baby can the baby canI'm the jumping man  
I'm the jumping man  
But baby can float  
Baby can drown  
Baby can touch her toes  
Toss her hair  
Makes you feel you're going nowhere  
Baby can dance  
Baby can dance  
Baby can walk around the town  
Attract a man and cut him downI'm the shadow man the jumping jack  
The man who can and don't look back  
But the baby can the baby canI'm rolling out of the ferris wheel  
No one looks and no one feels  
But the baby can the baby canAnd the way it feels  
I'm feeling youEveryday is far away  
Everyday, everyday  
It's over now  
It's over now
