

Richard Speck

Wesley Willis

This man killed eight nurses
The ninth nurse hid under the bed
She told on him in court about the murders in 1966
Richard Speck was convicted and sentenced to 1200 years in prison

Richard Speck tried to get out on parole

He was denied it six times

Richard Speck was denied parole

Many people say he was a crazy madman

They said Richard Speck must not be paroled from prison

This man is a criminal

He is a dangerous human being

He is an asshole

He'll kill you and put you in the graveyard
