Hourglass

Squeeze

I feel like I'm pounding on a big door
No one can hear me knocking
I feel like I'm falling flat to the floor
No one can catch me from fallingThe hourglass has no more grains of sand
My watch has stopped no more turning hands
The crew have abandoned ship
The lights are on but no one is inTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house, everyone is out
All the lights are on and the blinds are downTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house, everyone is out
All the lights are on and the blinds are downI feel like I'm calling on a telephone
No one can hear the ringing
I feel like I'm running up a steep hill
No one can stop me from runningThe hourglass has no more grains of sand
My watch has stopped no more turning hands
The little hand shakes its fist
The face is hanging out on a springTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house, everyone is out
All the lights are on and the blinds are downTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house everyone is out
All the lights are on and the blinds are downTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house everyone is out
All the lights are on and the blinds are downTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house everyone is out
All the lights are on and the blinds are downThe hourglass has no more grains of sand
Little red grains of sand
My watch has stopped no more turning hands
Little green neon handsTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house everyone is out
All the lights are on and the blinds are downTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house everyone is out

All the lights are on and the blinds are downI feel like I'm pounding on a big door
No one can hear me knocking
I feel like I'm falling flat to the floor
No one can catch me from fallingTake it to the bridge, throw it overboard
See if it can swim back up to the shore
No one's in the house everyone is out
All the lights are on and the blinds are down
