Thorns Of Sorrow

Symphony X

Beckoning me through aeons of time - captured by you
I try to elude these prisions of flesh - but return to
in dismay
shattered domains
Shattered glass impales my soulThere's no image in the mirror
She's like thorns of sorrow - visions turning redShe's like thorns of sorrow - ripping through my head
Enchanting me - defying my love - I'm hindered withpenance and painFalse reflection of grandeur and light - leaves my heart
bleeding and stained
There's no image in the mirrorShattered glass impales my soul
She's like thorns of sorrow - visions turning redShe's like thorns of sorrow - ripping through my head[solo]
She's like thorns of sorrow - visions turning red
She's like thorns of sorrow - ripping through my headShe's like thorns of sorrow - visions turning redShe's like thorns of sorrow - ripping through my head
