Party

El Perro del Mar

is it so hard to see?
I don't want to be your friend
I just want to be a part of you
I just want to be a part of you

come on over baby
there's a party going on
come on over baby
there's a party going on

bebop bebop a loo la
bebop a loo la

come on over baby
there's a party going on

is it so hard to see?
I don't want to cause more trouble
I just want to be a part of you
I just want to be a part of you

is it so hard to see?
I don't want to stay at home
I just want to be a part of it
I just want to be a part of it

come on over baby
there's a party going on
come on over baby
there's a party going on

bebop bebop a loo la
bebop a loo la

come on over baby
there's a party going on
come on over baby
there's a party going on
come on over baby
there's a party going on

come on over baby
there's a party all night long
