# Ready For Love (LP Version)

## Foxy

Let me be sweet to you
Let me be love to you
Let me be all the things
That mean a thing to youI'm ready for love
I'm ready for love
I'm tired of messing around
I want my feet on the groundOh and you
You're the woman I want in my life
Oh honey, I made up my mind
With feelings that I can't describe
But it's in my heart for you
I'd love to spend, spend my life --
I'm in love
I'm in love, girl I'm ready
It's as simple as that
So let me be good to you
That's what I want to do
I don't want to fight with you
Just get along with youI'm ready for love
I'm ready for love
I'm tired of messing around
I want my feet on the groundGirl and you
Look like you just might be interested
And I'd like to get my mind
I can't wait to be getting to your love
Oh so why don't you
Just let yourself go
Come on baby I'm ready to go
I'm in love
I'm in love, I'm ready
It's as simple as that
Let me be sweet to you
Let me be love to you
Let me be all the things
That mean a thing to youSo let me be good to you
That's what I want to do
I don't want to fight with you
Just get along with youLet me be sweet to you
Let me be love to you

Let me be all the things
That mean a thing to youSo let me be good to you
That's what I want to do
I don't want to fight with you
Just get along with youI'm ready for love
I'm ready for love
I'm tired of messing around
I want my feet on the ground
