

Don't Make It a Habit

Fort Lean

My house nothing to keep in it
My bed but i dont sleep in it
They're tryin to get high all day wish you tried not cryin todayI guess ill let myself in
This mess i get myself in
Let's go try near a store we'll buy some beer and try to score
Oh
It's not so hard to be ours
It's not so hardOh if you have to have it dont make it a habit
'Cause when it gets bad it'll tear you apart
I'll take it or leave it
But if you really need
You should try to be there before it tears you apart
Wish we were rich and famous
But were still making payments
I need a kick to get me up
I hope some kids dont beat me up
But it's not so hard to be ours
(not so hard)
It's not so hard ohIf you have to have it, don't make it a habit
'Cause when it gets bad it'll tear you apart
I'll take it or leave it
But if you really need it
You should try to be there before it tears you apartIf you have to have it, don't make it a habit
'Cause when it gets bad it'll tear you apart
I'll take it or leave it
But if you really need it
You should try to be there befor it tears you apart
If you have to have it, don't make it a habit
'Cause when it gets bad it'll tear you apart
I'll take it or leave it
But if you really need it
You should try to be there before it tears you apart
