# Reach

## Hundredth

I just had to reach
Reach out
It's right in front of meThink of the balance
Between keeping my eyes on the horizon
And staring at my feet
I have to choose between
Running into battle
Or burying myself in the sea
The weight of my concern is distressing
And my lack of discern only disconnects meI must fight the sickness
I must find the cure
And let it take me
To the same deep waters you
This shallow drown
Is less than we
It's only drifting further
I just have to reach
Reach out
It's right in front of meOpen waves of turmoil
Closed off serenity
Do I cast my burdens?
Or do I learn to carry the weight?My lack of discern only disconnects me
I must fight the sickness
I must find the cure
And let it take me
To the same deep waters you
This shallow drown
Is less than we
It's only drifting further
I just have to reachIt's right in front of meEmbrace the deep
There's more room to sink
I just have to reachBury myself in the sea
I just have to reach
Embrace the deep
'Cos there's more room to sink
I just have to reach
