

# Kill Johnny Stiff

## Dayglo Abortions

We got gigs over here we got gigs over there  
We got gigs everywhere we ain't playin' nowhere Kill Johnny Stiff do it now  
Kick him in the head stamp him in the ground  
Kill Johnny Stiff wreck his life  
Cut his balls off and feed them to pitbulls Don't like this green pants don't like his paisley shirt  
Don't like ripoff shithead promoters we got a message for you  
We're not your band Rape Johnny Stiff do it now  
Fuck him up the ass piss in his mouth  
Rape Johnny Stiff feed him guano  
Shred his dick give him a barbwire catheters  
Bend over, I'll drive
