

# When Love Takes Over (feat. Kelly Rowland)

David Guetta

It's complicated, it always is  
That's just the way it goes  
Feels like I've waited so long for this  
I wonder if it shows? Head underwater, now I can't breath  
It never felt so good  
'Cause I can feel it coming over me  
I wouldn't stop it if I could When love takes over, yeah  
You know you can't deny  
When love takes over, yeah  
'Cause something's here tonight Give me a reason, I gotta know  
Do you feel it too?  
Can't you see me here on overload?  
And this time I blame you Mm, looking out for you to hold my hand  
It feels like I could fall  
Now love me right like I know you can  
We could lose it all When love takes over, yeah  
You know you can't deny  
When love takes over, yeah  
'Cause something's here tonight Tonight, tonight, tonight, tonight  
Tonight, tonight, tonight, tonight  
Tonight, tonight, tonight, tonight  
Tonight, tonight, tonight, tonight And I'll be loving you all the time, it's true  
'Cause I want to make it right with you When love takes over, when love takes over  
When love takes over, when love takes over  
When love takes over, when love takes over  
When love takes over, over, over, over, over, over  
Over, over, over, over, over When love takes over, yeah  
You know you can't deny  
When love takes over, yeah  
'Cause something's here tonight
