The Hodges

The search of one true heart deep within you
The ocean will part the clearness of blue
Though the pearl eludes me while I'm sinkin still there's no finer thing
Diamonds do you justice only cause your beauty shines like a ringI want you more than everything
I want you more than everythingThe four winds on high of virtue they sing
It sharpens my eye determines these things .. determination
Though the pearl eludes me while I'm sinkin still there's no finer thing
Diamonds do you justice only cause your beauty shines like a ring
Fighting through the winter tempest I can hear the sea sirens singI want you more than everything
I want you more than everything
I want you more than everything
I want you more than everythingI feel your heart fades into view
The mist pulls apart and reveals the ...
Pearl eludes me while I'm sinkin still there's no finer thing
Diamonds do you justice only cause your beauty shines like a ring
Fighting through the winter tempest I can hear the sea sirens sing
Now I can find the gold and silver that I prayed tomorrow would bringI want you more than everything X5More than everything X8
OhhhhhhhhhMore than everything X3
OhhhhhhhMore than everything X2
