

Take Me Under

O-Town

O-Town

I want you to close your eyes

And fall into a deep trance

And when I count to three

You'll wake up and be mine

Ooh I like it

I love you

I know you

I love it when you take me down

Down under your spell My mind is suffocated

By your deep sigh

The scent of you has got me

So blind, why, why can't I be with you?

Full time 'cause

You bring me under Your lips, your eyes, your skin

Can't wait to be within

Your thoughts, your mind

Will meet in time, babe

You're mine, babe

So fine, babe

But for now I like it when you bring me under

Girl, I know you so well

I love it when we get down, down

Oh can't you tell?

I know you know when I first met you baby

My heart fell

I love it when you take me down, down

Under your spell Can I get an "O"

Can I get a "T"

Can I get an "O"

And a "W"

And an "N"

Bring it back If you, could ever understand

What you put me through

Then I, I

I could forgive you

I can't forget you

The things that you do

Won't leave my mind soon I came to you with a broken view of what

My life should be
You carried me subconsciously
I send my mind through your eyes
My thoughts are caught up in you
Ooo, can't wait to wrap myself in you I like it when you bring me under
Girl, I know you so well
I love it when we get down
(Down, down)
Baby can't you tell?
I know you know when I first met you baby
My heart fell
I love it when you take me down
(Down, down)
Under your spell {One, two, three} When I look into your eyes
My mind just don't know what to do and
It's a crazy thing
Got me all in a trance
Wanna dance in the streets with you and
You got it goin' on, flowin' on
Girl you never show me wrong
Make a fella wanna go buy the song
And give you all my publishing
I'm gonna go where you wanna go
Run wild, have fun like a carnival
'Cause
I think I'm in love with you
And before I never knew that I was so
I can't recall
Not at all
The last time a girl made me fall
So deep that I had withdrawals
So don't stop cause I like it when you bring me under
Girl, I know you so well
I love it when we get down, down
(We get down now, aah down now)
Can't you tell?
I know you know when I first met you baby
(Met you)
My heart fell
I love it when you take me down, down
Under your spell I like it when you bring me under
(Ohh yeah)
I love it when we get down, down
(Get down, get you down baby)
I know you know when I first met you baby

(I know when I met you, I met you)
My heart fell
I love it when you take me down, down
Under your spell
