

Circus

Britney Spears

There's only two types of people in the world
The ones that entertain, and the ones that observe
Well baby I'm a put-on-a-show kinda girl
Don't like the backseat, gotta be first
I'm like the ringleader
I call the shots (call the shots)
I'm like a firecracker
I make it hot
When I put on a show I feel the adrenaline moving through my veins
Spotlight on me and I'm ready to break
I'm like a performer, the dance floor is my stage
Better be ready, hope ya feel the same [Chorus]
All the eyes on me in the center of the ring
Just like a circus
When I crack that whip, everybody goin' trip
Just like a circus
Don't stand there watching me, follow me
Show me what you can do
Everybody let go, we can make a dance floor
Just like a circus There's only two types of guys out there,
Ones that can hang with me, and ones that are scared
So baby I hope that you came prepared
I run a tight ship so, beware
I'm like the ringleader
I call the shots
I'm like a firecracker
I make it hot
When I put on a show I feel the adrenaline moving through my veins
Spotlight on me and I'm ready to break
I'm like a performer, the dance floor is my stage
Better be ready, hope that ya feel the same [Chorus] Let's go
Let me see what you can do
I'm runnin' this (like, like, like, like a circus)
Yeah
Like a what? (like, like, like, like a circus) [Chorus: x2]
