

The Beginning Is the End Is the Beginning

Smashing Pumpkins

Send a heartbeat to
The void that cries through you
Relive the pictures that have come to pass
For now we stand alone
The world is lost and blown
And we are flesh and blood disintegrate
With no more to hate Is it bright where you are?
Have the people changed?
Does it make you happy? You're so strange
And in your darkest hour
I hold secrets flame
We can watch the world devoured in it's pain Delivered from the blast
The last of a line of lasts
The pale princess of a palace cracked
And now the kingdom comes
Crashing down undone
And I am a master of a nothing place
Of recoil and grace Is it bright where you are?
Have the people changed?
Does it make you happy? You're so strange
And in your darkest hour
I hold secrets flame
We can watch the world devoured in it's pain Time has stopped before us
The sky cannot ignore us
No one can separate us
For we are all that is left The echo bounces off me
The shadow lost beside me
There's no more need to pretend
'Cause now I can begin again Is it bright where you are?
Have the people changed?
Does it make you happy? You're so strange
And in your darkest hour
I hold secrets flame
We can watch the world devoured in it's pain Strange
Strange
Strange
(Strange)
(Strange)
