

All I Ask

Arthur Beatrice

Know that we're unhappy now
There's no telling why
No easy answer
And it weighs me down
When there's no number I can call to reassure myself
How can I feel like it's enough when I know you're never
there?
You make it seem like I'm crazy
But I'm not, I'm just tired of being the only one that cares
All I ask to feel
Is the safety that we lost
But I can't shake the fear
There's a line we'll never cross
You've worn me out; I'm at a loss
And it hurts when you say to me there's nothing wrong
When I never said there was
Is there a part of us that enjoys all this?
Is there a part of us that I don't understand?
How can I feel like it's enough?
(When I know you're never there)
You make it seem like I'm crazy
(But I'm not I'm just tired)
But I'm not, I'm just scared
All I ask to feel
Is the safety that we lost
But I can't shake the fear
There's a line we'll never cross
You've worn me out; I'm at a loss
All I ask to feel
Is the safety that we lost
But I can't shake the fear
There's a line we'll never cross
You've worn me out; I'm at a loss
All I ask to feel
Is the safety that we lost
But I can't shake the fear
There's a line we'll never cross
You've worn me out; I'm at a loss
All I ask to feel
Is the safety that we lost
But I can't shake the fear
There's a line we'll never cross
You've worn me out; I'm at a loss
