

Amazing Day

Coldplay

[Verse 1]

Sat on a roof

Named every star

Shed every bruise and

Showed every scar[Pre-Chorus 1]

Sat on a roof

Your hand in mine, singing

"Life has a beautiful, crazy design"

And time seemed to say

"Forget the world and all its weight"

Here I just wanna say[Chorus]

Amazing day

Amazing day[Verse 2]

Sat on a roof

Named every star and

Showed me a place

Where you can be who you are[Pre-Chorus 2]

And the view

The whole Milky Way

In your eyes

I'm drifting away

And in your arms

I just wanna sway[Chorus]

Amazing day

Amazing day

Amazing day

Amazing day[Bridge]

And I asked every book

Poetry and chime

"Can there be breaks

In the chaos of times?"

Oh, thanks God

You must've heard when I prayed

Because now I always

Want to feel this way[Chorus]

Amazing day

Amazing day

Amazing day

Amazing day
