

# You Know What

## Tinie Tempah

life is just a blur, just how i prefer  
she be on her knees, but she ain't in church  
king of save ? fuck how much i'm worth  
cause asking if i'm rich though Duhhh  
on my fucking word, british connoisseur  
ask them boys from coldplay, ask them boys from blur  
man i didn't buy the aston, cause when i speed it swerve  
we celebrating every night like it's december 31st  
you fools is stuck in april, wake up in ?  
told my cleaner she should run the fucking hoover on the table  
? up in that label match  
? i'm just a shit, like all my flights is bizness class  
cause all my trips is bizness trips  
do it all or don't do nothing  
a hundred thousand pound or more in every discussion  
told you you i'ma blow up, niggas can't ? up  
you pay to get in, i get paid to show up  
you know what? yeah, you know what? yeah  
you know what? yeah  
that shit from callie make me slow up  
rose make me throw up  
having 30 year old bitches telling me that i should grow up  
you know what? yeah, you know what? yeah  
you know what? yeah you know what?  
platinum disk money dime you the shit money  
i'm trying to get that ? then i wear no smith money  
in 3 days i've been in 6 countries  
i hustle hard, day and night, kid cuddi  
she say before we go and fuck she wanna sniff something  
i got these bitches on trial like i'm which hunting  
you take them out? call me?  
i pull out a thousand?  
i bet she lets me fuck her if she with something  
  
back it up, back it up, baby back it up  
? spectacular like she from africa  
move my money jagger, because of the way i stack it up  
? money up, on money racks on racks and such  
paps got me sneaking bitches in and out the back of club

said i live a wild life?  
told you you i'ma blow up, niggas can't ? up  
you pay to get in, i get paid to show up  
you know what? yeah, you know what? yeah  
you know what? yeah  
that shit from callie make me slow up  
rose make me throw up  
having 30 year old bitches telling me that i should grow up  
you know what? yeah, you know what? yeah  
you know what? yeah you know what?  
i'm on that henney and patron nigga talk kidneys  
you ain't got enough stamina to fuck with me  
fuck you, fuck you  
nigga i talk money, ..  
my mouse party like i don't know what a sensor is  
they don't let you in this club without a membership  
donald trump profit, take her apprenticeship  
nigga this is my? dope expensive shit  
told you you i'ma blow up, niggas can't ? up  
you pay to get in, i get paid to show up  
you know what? yeah, you know what? yeah  
you know what? yeah  
that shit from callie make me slow up  
rose make me throw up  
having 30 year old bitches bitches telling me that i should grow up  
you know what? yeah, you know what? yeah  
you know what? yeah you know what?
