Fade Away

Susanne SundfÃ¸r

This is the sound of your heart
The sound of your heart, it sounds lonely
I think we're drifting apart
We're drifting apart, ever so slowly

Fade away
Fade away, my love
Fade away
Til you're out of sight
Out of sight

This is the sound of my heart
The sound of my heart, it sounds of me
It feels like I'm falling apart
I'm falling apart, ever so slowly

(I've got to)
Fade away
Fade away, my love
(I've got to)
Fade away
Til I'm out of sight
Out of sight

This is the kind of love that never goes out of style
'Cause baby I know that you'll always be waiting
And Iâ€™ll always want to come back

Oh let us fade away
Fade away, my love
(We're gonna)
Fade away
Til we're out of sight
Out of sight
