

Jonah

Ron Hamilton

Come and listen to my fearful tale
Of the ocean blue,
How a man got swallowed by a whale-
Yes, I know it's true!

Chorus:
Jonah, Jonah,
Did not obey God immediately-
Jonah, Jonah,
Down in the depths of the deep blue sea!

Then a great big fish that God had made
Swallowed Jonah whole,
But the Lord heard Jonah when he prayed,
"Rescue my poor soul!"

If you try to run from God, BEWARE-
You'll discover too,
That the Lord above is everywhere,
Watching all you do.
