Kiss Me

Tom Waits

Fire's dying out
all the embers have been spent
I was out on the street
..? hide in the shadows
you look at me
I look at you
there's only one thing I want you to do
kiss me, I want you to kiss me like a stranger once again
kiss me like a stranger once again
I won't believe that our love's a mystery
I won't believe that our love's a sin
I want you to kiss me like a stranger once again
you wear the same kind of perfume

you wore when we met
I suppose there's something confident in knowing what you expect
but when you brushed up against me
before I knew your name
everything was thrilling
'cause nothing was the same
and I want you to kiss me
I want you to kiss me like a stranger once again
kiss me like a stranger once again
I won't believe that our love's a mystery
I won't believe that our love's a sin
Oh will you kiss me like a stranger once again
I want you to kiss me like a stranger
kiss me like a stranger once again
