You Don't Want Me To

3rd Storee

You don't want me to babe
Ooh no
Yeah, yeah
Yeah, yeah, yeah, yeah
Listen babyI dreamed about being with you
And I wanna make my dream come true
But I know that your pain still remain
(I know your pain still remain)And I wanna be the one that you
Can put your love and trust into
But when you really need someone
I like to be the one who will be right thereI don't know what to say
I'll never have no words
Every time, I see your face it hurts
That I can't be with you
'Cause I know, you don't want me to
You don't want me toI wake up all alone
Make breakfast on my own
Everything has changed now that you're gone
Now I can't be with you
Living life is hard to do
When you don't want me toI thought about the things, I said
And I thought of what went through my head
But please know that my heart never change
(Please know my heart never change)And right now, I need for you to see
The very different side of me
When you know, you can love someone
I like to be the one who will be right thereI don't know what to say
I'll never have the words
Every time, I see your face it hurts
That I can't be with you
'Cause I know, you don't want me to
You don't want me toI wake up all alone
Make breakfast on my own
Everything has changed now that you're gone
When I can't be with you
Living life is hard to do
When you don't want me toYou know, it's not easy
When I can't stop thinking
Thinking about you

Girl it's driving me crazy
Because you don't want me toI don't know what to say
I'll never have the words
Every time, I see your face it hurts
That I can't be with you
'Cause I know you don't want me to
(You don't want me to)I wake up all alone
Make breakfast on my own
Everything has changed now that you're gone
When I can't be with you
Living life is hard to do
When you don't want me to
