

In the Middle of the Night

Fantasia

Lord I tried
To do the best I can
Lord knows I tried
To help my fellow man Some call me crazy
But that's alright
I'll rest easy
In the middle of the night This world can be mean
And full of spite
But don't let that bother you
You just keep up the fight They'll call you crazy
But tell them that's alright
Cause you'll rest easy
In the middle of the night I'll have my brother
I'll have my sister too
Even if they get further along than me If you think that's crazy
But that's alright
Cause I'll rest easy
In the middle of the night
