# I Love You Because

## Jean Shepard

I love you because you understand dear
Every single thing I try to do
You're always there to lend a helping hand dear
I love you most of all because you're youNo matter what the world may say about me
I know your love will always see me through
I love you for the way you never doubt me
But most of all I love you cause you're youI love you because my heart is lighter
Every time I'm walking by your side
I love you because my future's brighter
The door to happiness you've opened wideNo matter what may be the style or season
I know your heart will always be true
I love you for a hundred thousand reasons
But most of all I love you cause you're you
