Falling

Whitney Tai

Verse 1
Boats along the shore
Tipping back and forth
Hearts are in the sand
Wonâ€™t you hold my hand

Sleeping in the fog
Dancing in the rain
Creatures of the night
Your beauty is to blame

One step closer
To falling
To falling in love with you
One step further
Oh weâ€™re crazy fools
And weâ€™ve got nothing to lose

Pinch me, iâ€™m awake
All the world's at stake
Merry we go â€˜round
Weâ€™re just tangled hearts and sound
Heyyyy!

One step closer
To falling
Ooh to, falling in love with you
One step further
Oh weâ€™re crazy fools
With nothing to lose, nothing to lose
Weâ€™re falling
Weâ€™re falling
And weâ€™ve got nothing, nothing to lose
