

Forever Young

[Laura Branigan](#)

(Marian Gold/Frank Mertens/Bernhard Lloyd)Let's dance in style let's dance for a while

Heaven can wait we're only watching the skies

Hoping for the best but expecting the worst

Are you gonna drop the bomb or not?Let us die young or let us live forever

We don't have the power but we never say never

Sitting in a sandpit life is a short trip

The music's for the sad men

Can you imagine when the space is one

As we turn our faces into the sun

Praising our leaders we're getting in tune

The music's played by the mad menForever young

I want to be forever young

Do you really want to live forever?

Forever and everForever young

I want to be forever young

Do you really want to live forever?

Forever, forever youngSome are like water some are like the heat

Some are the melody and some are the beat

Sooner or later they all will be gone

Why don't they stay young?

It's so hard to get old without a cause

I don't want to perish like a fading horse

Youth's like diamonds in the sun

And diamonds are forever

So many adventures couldn't happen today

So many songs we forgot to play

So many dreams waiting out of the blue

We'll let them come trueForever young

I want to be forever young

Do you really want to live forever?

Forever and ever
