

# Crazy Beautiful Sexy

## Old Dominion

Advisory - the following lyrics contain explicit language:

I never liked Def Leppard till I heard you sing that song  
Never wanted to go to Cali' till you had that t-shirt on  
Never wanted to change my style, change my point of view  
The truth is, girl, I'd take this whole damn thing, I'd change it all for you  
You got that real thing, that good-vibing feel thing  
That roller-coaster thrill thing that just keeps turning me on (oh)  
Gives me that hard rush, I can't help but wanna touch  
And I just can't get enough, baby, just keep bringing it on (oh)  
Crazy, beautiful, sexy, unusual  
Innocent, provocative, so classic, you're rocking it  
Crazy, beautiful, sexy I wanna be one of those late-night things that keeps you up  
I wanna be the digits that you dial when you get drunk  
I wanna be that smile that's on your face that all your friends don't understand  
I'll be the stamp from the club that won't wash off your hand You got that real thing, that good-vibing feel thing  
That roller-coaster thrill thing that just keep turning me on (oh)  
Gives me that hard rush I can't help but wanna touch  
And I just can't get enough, baby, just keep bringing it on (oh)  
Crazy, beautiful, sexy, unusual  
Innocent, provocative, so classic, you're rocking it  
Crazy, beautiful, sexy Candy-smooth, your midnight moves, your go-to groove  
Whatever you got is sunshine-hot, girl, I need you  
You got that real thing, that good-vibing feel thing  
That roller-coaster thrill thing that just keep turning me on (oh)  
Gives me that hard rush, I can't help but wanna touch  
I just can't get enough, baby, just keep bringing it on (oh)  
Crazy, beautiful, sexy, unusual  
Innocent, provocative, so classic, you're rocking it  
Crazy, beautiful, sexy  
Crazy, beautiful, sexy
