

# Fast Enough for You

## Phish

If time were only part of the equation  
Then you could draw the boundaries of our cage  
You wouldn't pile another stone upon me  
And I'd be happy just to watch you age  
But everything is in its own dominion  
And waiting in the shallows as I do  
Appeases me as water slowly trickles out  
Which isn't nearly fast enough for you  
It isn't nearly fast enough for you  
It's what I was afraid of, I stumble into view  
But it isn't nearly fast enough for you  
It isn't nearly fast enough for you  
It isn't nearly fast enough for you  
It's what I was afraid of, I stumble into view  
But it isn't nearly fast enough for you  
It isn't nearly fast enough for you  
It isn't nearly fast enough for you  
It isn't nearly fast enough for you
