

# Stella By Starlight

Frank Sinatra

The song a robin sings  
Through years of endless springs  
The murmur of a brook at eventide  
That ripples by a nook where two lovers hide  
A great symphonic theme  
That's Stella by starlight, and not a dream  
My heart and I agree  
She's everything on earth to me

A great symphonic theme  
That's Stella by starlight, and not a dream  
My heart and I agree  
She's everything on earth to me
