

Cheek To Cheek

Frank Sinatra

Heaven, I'm in Heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancing cheek to cheek Heaven, I'm in Heaven
And the cares that hung around me through the week
Seem to vanish like a gambler's lucky streak
When we're out together dancing cheek to cheek Oh I love to climb a mountain
And reach the highest peak
But it doesn't boot me half as much
As dancing cheek to cheek Oh I love to go out fishing
In a river or a creek
But I don't enjoy it half as much
As dancing cheek to cheek Dance with me
I want my arm about you
That charm about you
Will carry me through To Heaven, I'm in Heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together swinging cheek to cheek Come on dance with me
I want my arm about you
That charm about you
It will carry me through Right up to Heaven, I'm in Heaven
And my heart beats so that I can hardly speak
And I seem to find that happiness I seek
When we're out together dancing, out together dancing
Out together dancing cheek to cheek
