Nixon

Tiger Lou

This is how it feels to be special
I wanted to kill you the next day
I feel bad I feel bad I feel better
I wanted to kill you the next dayI say twice I say thrice I say four times
I wanted to kill you the next day
I feel sane I feel sane have I lost it?
This is how it feels to be special
This is how it feels to be Nixon
Hey, hey, hey, hey forever and ever and ever again
Hey, hey, hey, hey forever and ever and ever againDon't you smile like you smile 'less you mean it
I wanted to kill you the next day
It infected the way that she dances
This is how it feels to be special
This is how it feels to be Nixon
You give and you give and you give upHey, hey, hey, hey forever and ever and ever again
Hey, hey, hey, hey forever and ever and ever again
Hey, hey forever and ever again
Hey, hey forever and ever again
Hey, hey, hey, hey forever and ever and ever again
Hey, hey, hey, hey forever and ever and ever again
Hey, hey forever and ever again
Hey, hey forever and ever again
