

Scarface (Push It To The Limit)

Paul Engemann

(Push It To The Limit) Push it to the limit

Walk along the razor's edge

but don't look down, just keep your head

and you'll be finished Open up the limit

past the point of no return

You've reached the top but still you gotta learn

how to keep it Hit the wheel and double the stakes

throttle wide open like a bat out of hell

and you crash the gates

(crash the gates) Going for the back of beyond

Nothing gonna stop you

there's nothing that strong

So close now you're nearly at the brink

so, push it (Ooo yeah) Welcome to the limit

(The limit)

Take it maybe one step more

The power game's still playing so

you better win it Push it to the limit

(The limit)

With no one left to stand in your way

you might get careless, but you'll never be safe

while you still feel it Welcome to the limit

(The limit)

Standing on the razor's edge

don't look down just keep your head

and you'll be finished Welcome to the limit

(The limit)

(The limit)

(The limit)

(The limit) Push it to the limit

(The limit)

(The limit)

(The limit)

(The limit) (The limit)

(The limit)

(The limit)

(The limit) Push it to the limit

(The limit)

(The limit)

(The limit)

(The limit)
