

I Am The Black Gold Of The Sun

Minnie Riperton

I am the white side of the sun
follow the beat across the light

father of the one

I am the black gold of the sun

I am the black gold of the sun

I am the the dark side of the sun

Shadows that light up the day

Darkness shadow all the way

I am the black gold of the sun

I am the black gold of the sunI am the light

I am the fire that brings around the sun

and set you free

so free (so free)I am the black gold of the sunTo be who I wanna be

To go where I wanna go

To be

To feelI am the black gold of the sunI am the black gold of the sunI am the black gold of the sun

I am the black gold of the sunI am the white side of the sun

I am the black gold of the sunI am the black gold ofI am the black gold ofI am the black gold of

I am the black gold of the sun

I am the black gold of

I am the black gold of

I am the black gold of the sun

I am the black gold of the sun

I am the black gold of the sun
